We are an antiques, collectibles and home accent mall located in the heart of Stanly County. We are not your average mall. We are exceptional! The "Marketplace" as we are affectionately referred, has been in business since 2006 and has been voted by our community as the "Best" antique, collectibles, gift and consignment mall in Stanly County many years over.

Our main goal is to offer our vendors a quality place to sell their items along with offering our customers the best in price and item variety. We are true believers in making the vendors and customers experience fun, exciting and eventful each time you walk in our doors. We offer a well lighted, cooled and heated environment. We advertise and also do many events throughout the year to drive traffic to the mall. We are open 7 days a week and closed only on Thanksgiving, Christmas and Easter.

We are looking for vendors that sell antiques, vintage, collectibles, gift items and home accent items. We also want the creative vendor that thinks outside the box. Those who build, create, up-cycle and believe in helping our environment are welcome too. We DO NOT want yard sale household items. We are not a yard sale, a household dump or a museum. We want those that are serious about working and stocking their space on a regular basis. The Marketplace is an active retail environment, which means we expect you to join us as a retail partner.

If you would like to join our team, please complete this application and submit it along with at least 4 pictures of a current retail space you occupy or pictures of the type of items you will be selling in your booth space. You can submit all of these items via email to thealbemarlemarketplace@hotmail.com OR drop them off at our location 201 Highway 740, Albemarle, NC 28001.
